

A Truly Production Company

As one of the leading Olive and RTE Food supplier of the market, UGS URLA FOOD is serving to its clients and economy for over 30 years. As a partner, we ensure continuity of supply on demanded products with the demanded quality. Furthermore, we develop alternatives based on two strong pillars of our corporate philosophy; consistent, ongoing Innovative strength and customer satisfaction.

Your Competitive Edge

In close cooperation with our customers, we produce, pack, and ship private label products to develop them a decisive competitive edge on the Market.

We export our products to countries worldwide, including the USA, CANADA, AUSTRALIA, ISRAEL, SAUDI ARABIA, DUBAI, ENGLAND and EU.

New trends in living and demographic properties of social life tends food to be produced efficiently and on some points innovatively and from this point of view we work to create new packing options and continually trying new products for our customers.

Here at UGS, we value every step of the olive harvesting process. It's comforting to know that not all olives are solely used for oil production.

Our olive production facility is fully equipped with machinery from Spain and Italy, recognized as world leaders in table olive processing.

We offer diverse services, such as pitting, slicing, halving, wedging, chopping, stuffing, blending, and marinating. Our team executes each task with precision and expertise, ensuring top-notch results.
